

July 29, 2005

Hello 2005 Cruisers!

Thank you! Thank you! Thank you!

Now that we are back and somewhat settled after a very fun and exciting Cruise Oregon 2005. Beat the Heat would like to thank all those involved in helping raise funds and generously donating to the Beat the Heat Program during the Cruise. A total of \$2035 was raised from the Poker Hand, Quilt Raffle, the legal and illegal fines bestowed upon those "I'm innocent" cruisers, and the Poker Run sponsored by the Sunset Classic Chevy, South Coast Cruisers, Vintage Haulers, Over the Hill Gang and the Southern Oregon Street Rodders in Coos Bay.

These funds will be used to help keep the Beat the Heat Program in operation. Throughout the year we attend safety fairs, car shows and make our presence known at PIR and make donations to worthwhile causes. Last year Beat the Heat donated \$1000 to the Krystal Pomante Scholarship fund, \$1000 to the family of a cancer patient, and \$200 to Reynolds School District special education classes as well as sponsoring several trophies for cruise-ins.

Thank you again for your support.

BEAT The HEAT

Remember "Together we can save lives"
